

AHS Performing Arts: A Vision for the Future

Our shared training and performance spaces, especially our beloved Titus Auditorium, should reflect the quality of our performances and the degree of excellence our students achieve. The Anderson High School Performing Arts faculty and parent support groups are thrilled to announce an exciting, modern renovation of these spaces. The bold vision we share is one that will honor our rich history, thank our generous patrons, and most importantly, recognize the current students who share their tremendous talents on stage in Titus Auditorium year after year!

We need you—parents, alumni, community partners, and patrons of the arts—to help us make this vision a reality. Top tier Donors will be honored on our Donor Wall of Fame, proudly displayed in the new lobby with bronze, silver, and gold musical notes to celebrate their level of support:

Bronze Donor: \$250 - \$499 • Silver Donor: \$500 - \$2,499 • Gold Donor: \$2,500 and above

Of course, we gratefully welcome Donations at any level. In fact, the easiest way for you to join our cause, and make your mark on Titus Auditorium for years to come, is to purchase a seat plate. Each bronzed seat plate will be etched with the text you provide, and installed on the armrest of a seat in Titus Auditorium. This is a unique and very personal way to share your devotion to AHS Performing Arts. Specific seat locations within the auditorium are available on a first come, first served basis.

Seat Plate Purchase: \$250 each

Our strongest supporters may **add** a donation to their seat plate purchase, allowing them access to prime seats in the center front section of the auditorium. Donations must be given at the time of purchase in order to access these specialty donor rows, and these, too, are first come, first served.

Visit our website to find out more about our vision and to donate or order seat plates online (a convenience fee will be charged for all online transactions): www.andersontheatre.com/performingarts
